**Registration**

Please complete and email your registration forms by **Tuesday 12 April 2016** to [LNWH-tr.MUS-SpecialistPharmacyService@nhs.net](mailto:LNWH-tr.MUS-SpecialistPharmacyService@nhs.net)

**We will let you know after registration closes if you have been successful in securing a place. Places will be allocated on a first come first served basis, with initially one place per organisation.**

**Market Place Forms:** Please use the Marketplace form attached for specific questions that you think colleagues might be able to help you with. Please email the completed form to the course organisers in advance of the meeting if possible or alternatively bring it along on the day.

**Learning Outcomes:**

- Consider how national changes will affect Health and Justice and your organisation and consider what actions you need to take to implement them.
- Update your knowledge and understanding of national support to embed and evaluate the prison pain management formulary
- Understand the roles of partners (NOMS, smoking cessation and healthcare providers) and implications of Smoke Free prisons to inform local planning during 2016/17
- Contribute to the planned development of a RPS Faculty-led publication of a Knowledge Handbook for Health and Justice Medicines Optimisation and Pharmacy Services in H&J.
- Update your knowledge of the new functionality and planned national templates within the Health and Justice information system (HJIS) and how this will be implemented locally
- Take the opportunity to share good practice and network with peers to develop your knowledge base.

**Target Audience**

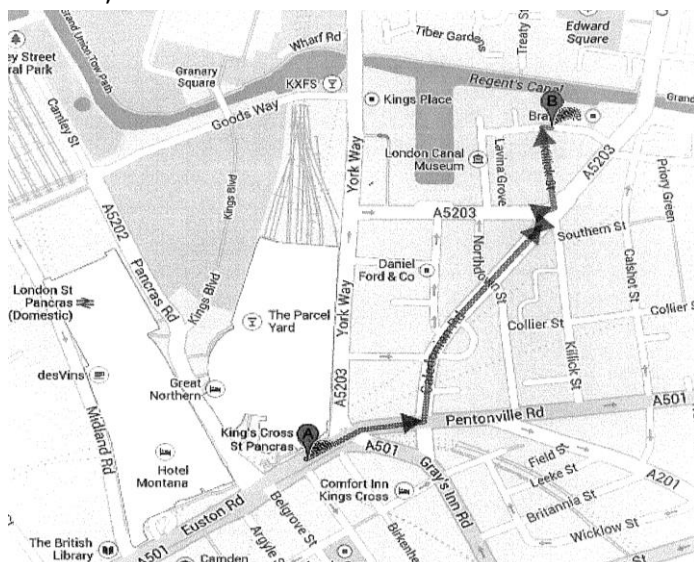

- Pharmacists and senior technicians providing or managing pharmacy services to Secure Environments and offender health care pathways
- Pharmacists who provide support to commissioners of Health and Justice services
